Oral & Maxillofacial Surgery  
6560 Fannin, Suite 1280  
Houston, Texas 77030

Dear Valued Patients,

I write to inform you that effective November 1, 2021, I will no longer be practicing with Houston Methodist Oral & Maxillofacial Surgical Associates located at 6560 Fannin, Suite 1280, Houston, Texas 77030.

My new practice name is Alfi Oral Dental Implant & Facial Surgery!

I am also launching a new website at [alfioralsurgery.com](http://alfioralsurgery.com). Here, you will be able to watch testimonials from other patients, learn about procedures, view surgical instructions, and much more.

I am also excited to announce that we have built an amazing new office nearby in the Houston Medical Center:

6624 Fannin St., Suite 1710  
Houston, TX 77030

If you prefer to see an oral and maxillofacial surgeon outside of our group, I encourage you to check with your insurance carrier to ensure that the oral and maxillofacial surgeon you choose is in-network with your healthcare plan. Your medical records will remain with Houston Methodist Oral & Maxillofacial Surgical Associates unless you request otherwise in writing. Please find the enclosed release form for your authorization, allowing us to release a copy of your records to your new physician. You may return the completed form to our office by fax, mail or Houston Methodist MyChart. Our medical records staff can be reached at (713) 441-1815. If you do not wish to stay with Houston Methodist Oral & Maxillofacial Surgical Associates, I recommend notifying us as soon as possible to ensure a smooth transition for your health care. If you have any questions about this change and would like to schedule an appointment at my new office, please let us know as soon as possible or call (713) 489-6984 after November 1.

While my practice name and location have changed, you will receive the same high level of care, compassion, and integrity you have come to expect from my practice. With a continued affiliation with Houston Methodist, Texas Children's Hospital, and Weill Cornell Medical College, this move supports our ongoing mission of an Amazing Result for an Amazing Person™.

Sincerely,

David Alfi, DDS, MD
